

# Appeal for funds

Dear Friends,

Those involved in Dancing Mountains have a number of functions and projects. We uphold the forms and ceremonies of Zen by organising visiting teachers and retreats, networking, facilitating discussion, producing a newsletter and are working towards developing a Zen centre in the south of England. So far, these activities have been resourced from ad hoc donations, occasional surplus money from retreats and from the private finances of core group members. To develop our activities to their full potential, more money is needed so we can take the next step. Publishing and more widely distributing the newsletter in hard copy, purchasing items to support forms and ceremonies, financing the development of a centre, all these things can only happen with wider financial support. At present, we ask for no membership fee to be a part of our community but in the tradition of Dana, freely give what we have. If you would like to join us in the spirit of generosity and make a one off contribution, please send a cheque made payable to 'Dancing Mountains' and send it to the address below. However what may help even more is a regular contribution so that we can budget for the future. Please fill in and return the form below and we will supply you with a bespoke standing order form to send to your bank.
